

# CYBERSECURITY SOLUTION FOR HEALTHCARE

**Compliant. Secure. Auditable.**

## THE FAST TRACK to HEALTHCARE **SECURITY & PRIVACY READINESS**

***HIPAA HITECH EXPRESS For  
Small Healthcare Organizations***

## **Healthcare Security and Privacy Readiness Doesn't Need to Be Costly and Complex.**

The healthcare industry alone has already lost \$6.2 billion from data breaches. That's an average of \$221 per record lost, or an average of \$4 million per organization, according to the Ponemon Institute.

***Can your organization afford this much risk?***

Our cloud-based solution makes it easier to prevent a breach, pass audits and achieve ongoing compliance in as little as 90 days. HIPAA HITECH EXPRESS provides exactly what small healthcare organizations need to be secure and compliant, at an affordable price.

Take the simplified approach in achieving a complete and auditable level of continuous HIPAA security with HIPAA HITECH Express.
